RE: One day liquor license

Christine:

We have been asked to assist Joanna Lau in the celebration of her closing on a new business. On Monday February 9 we have booked a small private party as part of this celebration. Please accept this application for a one-day liquor permit for the above date.

Per the usual, a check in the amount of \$25 is included to cover the cost of the permit.

Thank you in advance for your efforts.

Respectfully yours,

Steve Ravinski  
Owner-Operator
